Packaging

KNF was one of the first to adopt the flexible packaging system in the cashew industry in India

KNF has introduced sophisticated machinery like vibratory separators, vibratory aspirators and also Digital Metal Detectors in our packaging lines.

KNF also have automatic graders installed to ensure even and uniform sizing. The professionally qualified quality control team at KNF conducts frequent entomological and quality surveys at all processing and packing centers. Quality testing is conducted before each shipment, ensuring that only the very best cashews are made available to our clients.

KNF's insistence on quality, excellence and timely delivery, has ensured for itself a market among the quality conscious and niche consumers in the USA, UK, Japan, UAE, Germany, Singapore, The Netherlands, Australia and New Zealand.

Certified Quality

Focus on Quality is taken very seriously at KNF. The company became ISO 9001:2000 certified in 2005 and ISO 22000: 2005 compliant in 2007. It is also the first concern in the cashew industry to become FSSC 22000: 2010 compliant in 2012. KNF has received Kosher Certification for its Packing Centre.

Kerala Nut Food Co.

The name that spells quality

Kerala Nut Food Co. (KNF) is part of the **K.P.P Group**, one of the pioneers of the cashew industry in India. The Late **K. Parameswaran Pillai** founded the group in 1925. Since then the group has not looked back and has constantly been at the forefront of the Cashew trade.

KNF was started in 1965 as part of the restructuring of the K.P.P group. Mr. **P. Gangadharan Pillai**, the eldest son of Mr. **K. Parameswaran Pillai**, founded KERALA NUT FOOD CO.

Mr. Pillai or 'Ganga' as he was known in the international trading community was one of the most experienced personalities in the cashew industry who pioneered a number of initiatives in the industry. He was elected Chairman of the Cashew Export Promotion Council of India for seven terms and was also the President of the Federation of Indian Export Organization (F.I.E.O), New Delhi. He was the Permanent Ambassador from India to the International Nut Council (INC) till he relinquished the post in the year 2000.

Mr. Gangadharan Pillai passed away in May 2009. His grandson **Dr. Unnikrishnan**, who had been assisting him since 1998, took over the reins and is managing the company at present. Dr. Unnikrishnan is a medical graduate and has used his educational background to ensure that the latest Quality standards are followed and pursued by the company and ensured that the various quality certifications were achieved by the company.
